Important notice: We are very lucky to have such a considerate landlord. Please can all members remember to drive on the tarmac down to the club and only park within the club grounds. All children under 12 must be supervised at all times.

Disaster! The

by Rob Davies.

Skittles Night: Our first social of the year, a most enjoyable night and it seems some members may have spent time down the skittle ally in their youth! Well done to Team 1 who won the competition. So Dave Turtle without so much as a splash of water or a sail manages to captain the winning team with the performance of the night from team mate in Jeanette. But whatever the 'performance' we all took part and had fun, a very friendly atmosphere. It was also lovely to meet Russell from the model boaters who captained team 2 and made many new friends.

kept busy in a
'dangerous' spot.

Good company,
good food,
good fun!
