

# Gresford Sailing Club 2015

## Spring Newsletter

**New season:** This is the 55<sup>th</sup> season of our friendly local sailing club, let's make it a memorable one. The boats will be taken out of the clubhouse at **10 o'clock on Sunday 15th March**. In the afternoon Nick will organise a practise race and we will need some help cleaning the clubhouse and grounds.

**All is peaceful and quiet on the Gresford Flash.**

### Work parties

Paul has led from the front organising work parties most Saturday mornings. Many members have joined in, thanks to all. We have made a great start clearing the willows from around the lake, but lots still left. This will eventually lead to much clearer air, better sailing and spectating.

### Year Book, Constitution.

Copies of a new style year book are being printed and we hope to have them for the first day of the season. Please let us know what you think of the style. A hard copy of the constitution is also available.

**Soon it will come alive with all variety of dinghies. It's fun, it's friendly come and join in.**

### Social events

Our first social of the year will be a **skittles night in April**. Always a fun event, an excuse to bring family and friends to a sailing event without the water. We are still finalising a date but will share this very soon. In **May** we hope to organise an **informal rules and protest night** to include videos and role play.

**New committee:** Paul Barnes, Dave Thomas, Jim Young, Nick Blore, Simon Jones, Shan Stapley, Chris Jones, Alan Rogerson and Rob Davies from model boat section. Photographs of all to follow soon!
