Pursuit begins. On Sunday afternoon the first whistle was blown, with five different classes taking part, the OOD nearly ran out of flag poles. There were eight boats in the first race, then Gwil and Cath in their Enterprise joined in the second race. Both races were closely contested with some very close sailing and a few twirls taking place. First sightings of a fly away pole on an Enterprise were spotted. It was good to see Paul S glide past five boats on the last leg of the first race. The youngsters, Miles, David and Lucinda also raced well all afternoon.

Boats Out a bright morning, an early start with plenty of muscle and all the boats were soon out of the clubhouse. Simon was on hand to direct everyone to their spot. If you are not sure where to park your dinghy please ask Jim, he has a plan!

Paul and Jeanette happy to be by the Flash.
